LYCUS

Personal adjutant of RIBBENTROP, and a glorified bodyguard for him; short, squat, hard drinking SS officer; has gradually advanced by doing able Gestapo work for Ribbentrop; in particular, he managed to find out enough about Stephanie HOHENLOHE (see U.S.) to make her leave Germany; this pleased Ribbentrop who resented her patronage of Fritz WIEDEMANN, at that time Hitler's adjutant; from that time on Lycus appeared at all (press) conferences and tried to seem politically informed; he frightened "FATTY" (q.v.) by trying to get him to "cooperate" with Ribbentrop; although he has large funds at his disposal, he can never become a power in the Party; he is a puppet of HIMMLER and Ribbentrop whom they will use in an emergency and forsake if he fails.
